"Bye Bye Baby"

If you hate me after what I say
Can't put it off any longer
I just gotta tell you anyway

Bye, bye, baby, baby, goodbye
Bye, bye, baby, don't make me cry

You're the one girl in town I'd marry
Girl, I'd marry you now if I were free
I wish it could be

I could love you but why begin it
'Cause there ain't any future in it
She's got me and I'm not free, so bye

Guess I never will know you better
Wish I knew you before I met her
Gee, how good you would be for me

Should've told you that I can't linger
There's a wedding band on my fingers
She's got me and I'm not free, so bye
