Idaho

Where I long to go

Thrilling checker games

Spelling bees, cherry trees

Idaho, lovely Idaho

Daisies on the grass

Grandma's stew

The cows and you

Idaho, lovely Idaho

Playing pick-up sticks

Santa Claus, apple sauce

Idaho

Rain or sleet or snow

You'll be in my heart

I love you so, just

Thought you'd like to know

My Ida

Sweet as apple cider

How I love you so

My Idaho
