Watch the flowers grow, watch 'em grow]

Did you ever see a flower grow?

If you did then you would surely know

Love is like the flowers,

Takes a lot of hours

If you really want to know,

Watch the flowers grow.

Listen to my thoughts and take a ride,

I shall give you all you've been denied

First you gotta slow down,

Listen to my sweet sound

If you really want to know,

Watch the flowers grow.

Over the mountain there's a sweet meadow

A breeze is blowin', so take my hand and we can

Watch the flowers grow

Let me take you where the flowers grow

Let me be the one who told you so

I'll love you forever,

I will leave you never

Baby let's go,

Watch the flowers grow.

[Watch the flowers grow, watch 'em grow]
