Ok, Writer, (DipSet) Who ready?

[Verse 1]

Listen, This is natural, we're not compatible
A hustler not a rapper dude, don't make me have to
clap a few
Wrap ya dude, Blat ya through
Nigga, fuck a stash box, I got a box in the stash for you
You aint a Goonie, yous a Looney Tooney
I will use this Uzi to remove ya kufi
Troops salute me, dude ya fruity
Who's a groupie, and lucky that my shoes are Gucci
(why)
Cause I stomp creeps, I'm beyond beats
Big war guns, check out my arm reach
I'll get ya moms leaked (where) stretch out in Palm
Beach
Iffy till I put you underground then its concrete
You stepping up there them hecklers'll flare
Peter Rowe leave ya soul in a breathe full of air
No body better this year (why)
I'm in the zone, and it's like you goin bald, cause you'll
never get here/hair

It's 600 for my Dungarees
I'm on the corner getting blunted with a bunch of G's
