Santa, make him love me
Santa, just help me
Tell me I'll be loved
I need a lover to call my mine
I adore him
Can't ignore him
Always on my mind
Don't you know the man's so fine
I've been good
I've behaved like I should
I've done all I could
Whatever he wants from me
Whatever he needs I'll be
Just set him beneath my tree
He's my Christmas fantasy
And that's all I need
I'm begging you, Santa please
Slide him down my chimney
He's my Christmas fantasy

Santa, my one wish
Top of my list
Is our first Christmas kiss
Is something that I can't resist
Santa, maybe
I'll be his baby
I've got to make him mine
There's nothing like a love divine
And I've been good
I've behaved like I should
Santa, if you would
Whatever he wants from me
Whatever he needs I'll be
Just set him beneath my tree
He's my Christmas fantasy
And that's all I need
I'm begging you, Santa please
Slide him down my chimney
He's my Christmas fantasy

Whatever he wants from me
Whatever he needs I'll be

Just set him beneath my tree
He's my Christmas fantasy
And that's all I need
I'm begging you, Santa please
Slide him down my chimney
He's my Christmas fantasy
I love him, yes I do
Yeah I'm begging, begging you
Send him all to me
Please
Santa, can I, Santa, can I have a man?
Will you understand?
