When I think about how much I'm loving you  
No limitations, no set of regimented rules  
I'm amazed how much this love has touched my life  
And the commitment that we share is a welcome  
sacrifice

This must be, sweet fatal attraction  
My life-long date with destiny  
Love this strong, it just brings out the passion  
I never knew was here in me

I love you just because, I love you just because  
Just because I do, my darlin' you  
Emotions more than words can help me say  
I love you, baby, just because you're you just because  
you're you

You're a diamond in my mind, a treasure found  
A precious gem to me, you're so nice to have around  
I'm so glad I took the path that led to this  
And it's amazin' loving you, I'm doin' things I never  
thought I'd do

I don't know, there ain't no explanation  
Of why I'm sharin' love at last this way  
I won't try to work out all my reasons  
I'll use these words to simply say

I love you just because, I love you just because  
Just because I do, my darlin' you  
Emotions more than words can help me say  
I love you, my baby

I love you just because, I love you just because  
Just because I do, darlin' you  
Emotions more than words can help me say  
I love you, you know I do baby

Could it be that there's more to this that meets the eye?  
Maybe that's the reason why  
All I know is when I'm in your arms it feels all right  
I'll hold on tight and I come alive

I love you just because, I love you  
Surely do, my darlin'  
Emotions more than words can help me say  
I love you, baby

I love you just because, I love you  
Just because I do, oh yeah  
I couldn't take it back if I wanted to  
I just love you, I just love you baby

I love you just because, I love you  
There ain't nothin' I can do  
Nothin' I can do about it, there's nothin' I can do about  
it  
I just love you, I just love you, I just love you

I love you just because, I love you  
Couldn't take it back if I wanted to  
That's just the way it is baby, that's just the way it is  
baby  
And I love you, and I love you, you know I love you  
I love you just because, I love you
