Where did you go
I've been looking for you
Where did you go

I'm pacing the floor
When you're gone from me
I'm pacing this floor

Baby I stand by you so close
Caution is not my approach
My heart I expose
Baby I love you
More than you know

Wasting my time
Everybody says
I'm wasting my time

I must reply
That the time I waste
Is certainly mine

Darlin' I stand by find out
Also wonder why
Your eyes don't meet mine
My heart I expose
Oh baby I love you
More than you know
Oh baby I expose to you
To know

Darlin' I stand by you so close
Caution is not my approach
My heart I expose
Baby I love you
More than you know

I stand by you
More than you know
Love I assure you
More than you know

Baby, baby I love you
More than you know
Darling I know
More than you know
