Yes, I've been around and I watch you, baby  
I know you're the one  
And I see you and I cry inside, baby  
The moment has come-but I

I try to hide what I'm feeling', baby  
Don't want you to know  
It's a feeling so deep in my heart, baby  
I can't let it go

No one to blame  
If I miss this, sho would be shame  
No one to blame, baby  
Sho is a shame

There ain't no reason to doubt me, baby  
You know I don't lie  
And I tell you from deep inside, darlin'  
I'm willin' to try, yes I am

Cause this ain't no game that I'm playin', baby  
Our love is for real  
And I tell you I know that it's strong  
I know what I feel, yes

No one to blame, baby  
If I miss this, sho would be shame  
No one to blame, darlin' if  
I miss this, sho is a shame

Life offers no prize, no guarantees  
My baby, for missed opportunitites  
And I won't let you walk by  
I've got to try, tellin' you I know it's right  
It's the truth, don't you lie, baby-yes

You know that I tried to resist you, baby  
But I'm losin' my fight, ah yes  
I mean this, I really do mean this, baby  
Know that I'm tellin' you no lies

'Cause this ain't no game that I'm playing', darlin'

This thing is for real  
And I want you to know that it's strong  
I know what I feel baby, yes

No one to blame, baby
