Flashbacks of the times we've had
Some made us laugh and some made us sad
We used to breakup to make up
All the fun that came from those love games
Oh, well, I think I need someone new
No, it just won't do and because I think about you, baby

From beginnin' to end, 365 days of the year
I want your same ole love, baby
And all I wanna do is keep on lovin' you
I want your same ole love

There's a reason I feel this way
All the things you do, well, it might be the things that
you say
Your love never changes
It's like a picture in a frame and it remains the same
Your undyin' love for me
Oh, it keeps me strong, keeps me holdin' on

From beginnin' to end, 365 days of the year
I want your same ole love, baby
And all I wanna do is share my life with you
I want your same ole love

Slowly love me
All is forsaken, I love the love we're makin'
'Cause it's truly lovely
I'll never leave you, you'll know I need you, baby

From beginnin' to end, 365 days of the year
I want your same ole love, baby
And all I wanna do is share my life you
And the same ole love

From beginnin' to end, 365 days of the year
I want your same ole love, baby
And all I wanna do is share my life you
I want your same ole love

From beginnin' to end, 365 days of the year
I want your same ole love, baby

And all I wanna do is share my life you
I want your same ole love

From beginnin' to end, 365 days of the year
I want your same ole love, baby
And all I wanna do is share my life you
