You can reach me by rail way
You can reach me by trail way
You can reach me on an airplane
You can reach me with your mind

You can reach me by caravan
Cross the desert like a Arab man
I don't care how you get here
Just get here if you can

You can reach me by sail boat
Climb a tree and swing rope to rope
Take a sled and slide down slope
Into these arms of mine

You can jump on a speedy colt
cross the border in a blaze of hope
I don't care how you get here
Just get here if you can

There are hills and mountains between us
Always something to get over
If I had my way surely you'd be closer
I need you closer
There are hills and mountains between us
Always something to get over
If I had my way surely you'd be closer
I need you closer

You can windsurf into my life
Take me up on a carpet ride
You can make it in a big balloon
But you better get here soon

You can reach me by caravan
Cross the desert like a Arab man
I don't care how you get here
Just get here if you can

I need you right here right now
I need you here by my side
I don't care how you get here

Just get here if you can
