I, I'm just killing time now  
I do it all the time now  
And it's killing me

I, I polish off the bottle  
I'm throwing down the throttle  
Drinking gasoline

Now I'm on my way  
Driving down Broadway  
Wasting all my time  
And I won't be late

'Cause I'm on the brake  
So don't hesitate  
Never make it out  
And it's killing me

Do, do you get the feeling  
That you've been bled?  
'Cause now you're bleeding me

You, you're spilling all the wine now  
On Hollywood and Vine now  
It's Lushotology

Now I'm on my way  
Driving down Broadway  
Wasting all my time  
And I won't be late

'Cause I'm on the brake  
So don't hesitate  
Never make it out  
And it's killing me  
And it's killing me

I, I'm just killing time now  
I do it all the time now  
And it's killing me

I, I polish off the bottle

I'm throwing down the throttle  
Drinking gasoline

Now I'm on my way  
Driving down Broadway  
Wasting all my time  
And I won't be late

'Cause I'm on the brake  
So don't hesitate  
Never make it out  
And it's killing me  
And it's killing me  
And it's killing me
