Bleeding me
Though my heart is dry
This knife is a symbol
Dark side of night

Killer is on the run
With a halo of flies
Raising the hell within us
As the angels fly

There's a rain tonight
Falling from the sky
There's a liar's moon tonight
Dark side of night

The secret chasm
Hole in my heart
A fire is raging on us
Burning like a scar

Made of flesh and blood
My soul's made of stone
The flame is burning out now
Nightmares alone

There's a rain tonight
Falling from the sky
There's a liar's moon tonight
Dark side of night
