Get on down" (repeat 4X cut and scratched)

I wanna fuck, drink beer, and smoke some shit!

Fuck, drink beer, and smoke some shit!

I wanna fuck, drink beer, and smoke some shit!

Fuck, drink beer, and smoke some shit!

Verse One: Psycho Les, Juju

Knock knock, who is it? What my moms is the wizard

I'm about to land like an avalanche or a blizzard

So open up, let me in, then

check out the ill motherfuckin Les swing

Wickedly wicked, your girl's tit I lick it

and shwin-g it, like my man Wilson Pickett

I kick it, the Spanish Psycho's a lunatic

Rip a show, get the dough, and stick the hoe with my
super *dick*

It's a AHH nut, then I be ghost

You got ta be clean everything not gross

I bust a ill style that your ears are not used to

Beatnuts make tracks for the crowd to get loose to

So honies in the house if you're hot rip your blouse off

My brothers if you're thirsty, crack the forty ounce

Beats I smack em out the stadium I never bunted

I rock all night, you got a light, let's get blunted

So light up, and pass it, so I can puff

You can't get enough of the rugged and rough

Anti-pop I ain't singin like a klutz

The world's (world's) famous (famous) Beat (beat)
Nuts!

Well it's the junkyard nigga with the funk flow screamin

Hardcore, crazy bad breath like a demon

Retarded from birth see I ain't got no class

I used to fart in church and tell the preacher kiss my
ass

Freakin mad styles catchin Caesars yo

It's the Psycho Dwarf killer with a stezo bro

Ugly like shit but sized crooked

Any piece of ass I ever got is cause I took it

Yo I'm invisible, niggaz can't see me kid

I did a short bid and came out cock diezel kid

Junkyard Juju so you know

Strap a metal jacket every fuckin place I go

So play Dionne Warwick's song and Walk On By

Or maybe stick around for a Columbian Necktie

Whatever the fuck you do, just get out the place

I got some shit to blow, that's my right off in your face

I wanna fuck, drink beer, and smoke some shit!

Fuck, drink beer, and smoke some shit!

I wanna fuck, drink beer, and smoke some shit!

Fuck, drink beer, and smoke some shit!

I wanna fuck!

(Hey bro, what's happenin? Got that good cheeba
cheeba?)

"Get on down"

Verse Two: Psycho Les

Ah-ah-ah, I just ripped, out the dirt from my coffin

Flippin through loops like a lunatic dolphin

I'm back, reincarnated

Psycho Les runnin through the graveyard intoxicated

Thuggin, titty huggin graf art muggin

Keep ya where your worst nightmare snuck in

yeah! Ya think I'm buggin here's my Glock 10

I have you singin like New Edit-it-edis-distion

Punk, play and get yo, smoked

I put two caps and I laughed up then joke around

I gets down, like Kool and

the Gang my slang got your girlfriend droolin

Yo I flip, and, land in the split

Then pop, man, bust your whole shit

Like a Shaolin Monk I kicks the grand funk

Drunk and I'm still fat out the trunk

I wanna fuck, drink beer, and smoke some shit!

Fuck, drink beer, and smoke some shit!

I wanna fuck, drink beer, and smoke some shit!

Fuck, drink beer, and smoke some shit!

I wanna fuck, drink beer, and smoke some shit!

Fuck, drink beer, and smoke some shit!

I wanna fuck, drink beer, and smoke some shit!

Fuck, drink beer, and smoke some shit!

Yeah, your mother
