Straight outta Buck Show fuck that.

Psycho Les:

It's like this y'all it's like this y'all

I woke up to the wall and took a piss y'all

Nigga pop the beat right up on the panel

When you see beyond your shit don't fuck with the  
channel

Or the antenna, slap a funky moranna

On the ass cock back my cock and blast

Boom I juice they love the one I produce for 'em

I floor 'em donkey styles ? nigga be sleepin' man

And they hoes go out if I catch the bitch alone (forget  
about)

Punk now what you gonna do sausage

When I take your bitch home and fuck her hard with my  
ostrich

Size dick bitch gets hypnotized quick

Then I flip her little ass like a side kick (word)

The names not Bond so come on and pass me the light

Or the hydro chron

Bust it

I make bitches make me sandwiches and scratch my  
ass when it itches

Very nice. Did you hear the rhyme
