If you can't hold your own,  
don't point your fucking finger at me!  
Cough, spit, scream, HATRED,  
all inclusive  
and yes, it's a question of class and experience  
consider yourself dismissed.

Lesson A: This lifestyle is not for sale.  
Give it up, again, and again.  
And that's how we do it!

To crush.  
You must love.

No false pride  
No fashion  
No fake set of values  
A primal force-to completely absorb.  
Transforming, serpent-like.  
Infernal and true.

Lesson B: Imitation equals failure  
Surrender to this  
and that's how we do it!

To crush  
You must love.

Character grows from pain  
Sealed and approved!  
And the strength to overcome  
Trial by fire!  
No slackness.  
No wasted chase.  
This is the discipline.

To crush you must love  
the fine art of crush
