Stare at my reflection,
a face to me shown unknown.
Cleanse with perfection,
no man shall stop the seeds I've sown.

You see me crawl, but that's not true.
I'm just a step away from you.

I feel my energy rising.
Shatter me who shatter dares...

Don't trust your eyesight,
it will deceive your every glance at me.
I feel no sorrow, kill...
like there's no tomorrow.

You see me crawl, but that's not true.
I'm just a step away from you.

I feel my energy rising.
No way to keep this fury controlled.

My hand shakes with anger.
Stare unto me as I shatter your soul..

Shattered..

Goats head,
Daed eyes.
No reconcile.

Submit
to none.
I am divine.

Shattered,
Shattered...

You call me evil.
I'm but the instrument of the Lord.
You call it senseless,

I see a need to cleanse this putrid world.

You see me crawl, but that's not true.
I'm just a step away from you.

I feel my energy rising.
No way to keep this fury controlled.

My hand shakes with anger,
Your life... Shattered.
