Hey you idiots, when the fuck are you gonna quit?  
Or do I have to spell it out for you, F U C K Y O U  
Why don't you quit sucking your thumb  
Take your diaper off and put your helmet on

Let's go to war  
I've been waiting my whole life to destroy yours  
Let's go to war  
I've been waiting my whole life to destroy yours

File that lawsuit, but know it all got the boot  
And then the cry baby go boo-hoo, so, F U C K Y O U  
Why don't you quit sucking your thumb?  
Take your diaper off and put your helmet on

Let's go to war  
I've been waiting my whole life to destroy yours  
Let's go to war  
I've been waiting my whole life to destroy yours

Why don't you quit sucking your thumb  
Take your diaper off and put your helmet on

Let's go to war  
I've been waiting my whole life to destroy yours  
Let's go to war  
I've been waiting my whole life to destroy yours  
Let's go to war, let's go to war, let's go to war, let's go  
to war
