Nobody, Nobody
Nobody, Nobody
Nobody, Nobody
Nobody, Nobody
Nobody, Nobody
Nobody, Nobody

They got their fingers pointed right at me,
I never win and I always end up guillotined
My girlfriend ain't got no time for me
her other boyfriends won't let her near me

Well I'm alone and I like it that way
Rest of the world can just, go away
I got everything that I need
I don't need you and I don't need Nobody

Nobody, Nobody
Nobody, Nobody cares for me
Nobody, Nobody
Nobody, Nobody cares for me

Ain't got a job, ain't got no college degree
I got holes in my shoes, couple cavities
but that's alright, that's OK with me
Know who I am, Know what I wanna be

You're a know it all, you don't know me
You hate me, you don't even know me
That's what separates you from me
You're moving, I'm reality

Well I'm alone and I like it that way
Rest of the world can just, go away
I got everything that I need
I don't need you and I don't need Nobody

Nobody, Nobody
Nobody, Nobody cares for me
Nobody, Nobody
Nobody, Nobody

Well I'm alone and I like it that way
Rest of the world can just, go away
I got everything that I need
I don't need you and I don't need Nobody

Nobody, Nobody
Nobody, Nobody cares for me
Nobody, Nobody
Nobody, Nobody cares for me
Nobody, Nobody
Nobody, Nobody cares for me
Nobody, Nobody
Nobody, Nobody cares for me
