He was a-howlin at the moon when he walked up to her  
yeah.. oh yeah.

And he whispered to her, i couldnt hear what he said  
And then he whispered to her, i couldnt hear what he  
said

And then he whispered to her, i couldnt hear what he  
said

And the Wolfman came and stole my baby  
Yeah the Wolfman came and stole her away  
Well, he took her, and thats what she gets  
And nothing can save her now except for silver bullets

He was a-lookin at her like she was the coolest thing  
he'd seen.. he'd seen  
Yeah well,dont you know baby dont you know that the  
Wolfman only wants one thing... he wants one thing..  
only wants...

And the Wolfman came and stole my baby  
Yeah the Wolfman came and stole her away  
Well, he took her, and thats what she gets  
And nothing can save her now except for silver bullets

And the Wolfman came and stole my baby  
Yeah the Wolfman came and stole her away  
Well, he took her, and thats what she gets  
And nothing can save her now except for silver bullets
