(Ashanti) [Ja talking]

Always there when you call [Buckshots, hah], always on time

Gave you my....baby be mine

Always there when you call, always on time

Gave you my....baby

(Chorus - Ashanti)

Baby, I'm not always there when you call, but I'm always on time

And I gave you my all, now baby be mine

I'm not always there when you call, but I'm always on time

And I gave you my all, now baby be mine

(Ja Rule)

C'mon and get a piece of this late-night lover

You know, the one that swing dick like no other (shit)

I know, I got a lot of things I need to explain

But baby you know the name and love is about pain

So, stop the complaints and drop the order restraints

Our sex life's a game so bat me down in the paint

'Cause I can't wait no more

'Cause it's about a quarter-past three and shorty's eye in me

I got the Bentley valeted

And I'm just outside of Jersey, past the Palisades

And I love to see that ass in boots and shades

Hold down on the bed while I'm yankin your braids

Thug style, you never thought I'd make you smile

While I'm smackin your ass and fuckin you all wild

[With Ashanti] But we share somethin so rare, but who cares, you care

(Chorus)

Girl, get a grip, c'mon, pull it together

It's only a sunshower, we been through worse weather

Like the stormy nights you wrote a "Dear Ja" letter

And took my Benz and keyed and cut the leather

Bitch, you know better, we live M-O-B

Money Over Bitches, Murder, I-N-C  
I got two or three hoes for every V  
And I keep 'em drugged up off that ecstasy  
I'm a playground legend like Kirk with Pee-wee  
Name a nigga in the league got more game than me  
I play hard, there's so many women I fathered  
Meet 'em with scars and send 'em home hot and  
bothered  
Truth or dare, this life ain't apparantly fair  
And a love with no glare is a crystal stare  
But we share [with Ashanti] somethin so rare, but who  
cares, you care

(Chorus)

Oh I'm, feelin like ya livin a, double life  
'Cause you don't be comin home, sometimes  
Baby, but you're always, on time, checkin for one time  
You and I, got a special bond together  
We go back like bombers boo, in the coldest weather  
And when I play you play the same way you freak me  
baby I fuck you crazy  
Then I'm gone  
Baby don't really want me to get up and leave off that  
easy  
She'll be wakin up wet for sheezy  
Remind these bitches to mind they business  
Believe me, this pimp game is very religious  
And I'm built like the Don Bishop  
Gon' keep this money-green Benz and my hoes as my  
witness  
The life we share is a thug affair  
[With Ashanti] But who cares, you care

(Chorus)

(Ashanti)

Always there when you call, always on time  
Gave you my....baby be mine  
Always there when you call, always on time  
Gave you my....baby be mine

(Radio Announcer)
