Haha yhea..Wud up Ma?  
How you been? Yhea I know I know..  
Its all good (Murda Inc)

Girl your stare, those eyes  
I love it when you look at me baby  
Your lips, your smile  
I love it when you kiss me baby  
Your hips, your style  
I love it when you fuck me baby  
and I cant deny I love it when Im witchu baby

I got a fetish for fucking you with ya skirt on  
On ya back slid in the backseat of the Yukon  
Whats takin so long? Im gettin anxious  
But patiently waiting for you to tell a nigga to move on  
Between me and you, we could find each other  
Fly in the broad and my pride wit G too  
I aint tryin to G you, ma Im tryin to see you  
Bend ova, you know how we do it feet to shoulder  
Rim heat to cold this night, so ferotious  
Like you street promotin the dick game quotent  
Cuz in the bed nigga go hard like jordan  
Sweat pourin, loving the way you be moanin  
Ripin the sheets, lookin at me winkin at me  
Cuz every woman juss wanna be happy  
And its crazy But baby I love it when Im witchu baby

Girl your stare, those eyes  
I love it when you look at me baby  
Your lips, your smile  
I love it when you kiss me baby  
Your hips, your style  
I love it when you fuck me baby  
and I cant deny I love it when Im witchu baby

I wanna get away, cuz you know like I know  
And theres a better day comming  
Im hooked on ya lovin and believe me  
And when ya hold mah body I know ya need me  
Wait for me baby, I be goin half crazy for ya love

And I was told that the sex was better than drugs  
Think Im addicted, boi listen  
Im the only piece of the puzzle ya missin  
I can be kissin( ride ride ride )  
You gotta girl that'll ride ride ride  
So take me tonight, and do what you do to me baby

Girl your stare, those eyes  
I love it when you look at me baby  
Your lips, your smile  
I love it when you kiss me baby  
Your hips, your style  
I love it when you fuck me baby  
and I cant deny I love it when Im witchu baby

Shortie, are you really gettin bored with me or him?  
Cuz you know I play a lot of games, I playin to win  
Im playing but Im stil young and Im livin my life  
You know you riding and Im the type to pull up  
To ya bumper, get ya number baby  
And I can only help but wonder, life would be without  
My sweet baby and your my baby, holla if you hear me  
Ohhh ohh oh..you can understand that my love is pain  
And how Im feelin babe, its just a woman thang  
Its a mans world, but I understand  
Dont be sayin nothing different, boi thats the pit of  
blame  
You be my down ass, wit your round ass  
I know Im feeling you, but can you feeling me  
The way you warmin my body when you touch me

Girl your stare, those eyes  
I love it when you look at me baby  
Your lips, your smile  
I love it when you kiss me baby  
Your hips, your style  
I love it when you fuck me baby  
and I cant deny I love it when Im witchu baby

I love when you touch me baby  
All over my body baby  
I love when you kiss me baby  
All over my body baby  
I love when you touch me baby  
All over my body baby  
I love when you kiss me baby  
All over my body baby

Girl your stare, those eyes  
I love it when you look at me baby  
Your lips, your smile

I love it when you kiss me baby  
Your hips, your style  
I love it when you fuck me baby  
and I cant deny I love it when Im witchu baby
