Tuesday morning
Never looked so good

I'm already in
In a daydream

The sun is shining
To wake me up
No one around
Just me and the sky

I'm already in
In a daydream
I'm already in
In a daydream

The sky is calling
Calling out my name
Telling me just to stay
Stay and don't go away

I'm already in
In a daydream
I'm already in
In a daydream

In a daydream
In a daydream
In a daydream

Already
Already in a daydream
