Whoa, whoa, whoa, ow!  
There she stood in the street  
Smiling from her head to her feet  
I said hey what is this  
Now baby maybe, maybe she's in need of a kiss  
I said a hey what's your name baby  
Maybe we can see things the same.  
Now don't you wait or hesitate  
Let's move before they raise the parking rate, ow!

All right now, baby it's-a all right now  
All right now, baby it's-a all right now, ooo...

Let me tell you now

I took her home to my place  
Watchin' every move on her face  
She said look what's your game baby  
Are you trying to put me in shame  
I said slow, don't go so fast  
Don't you think that love could last  
She said love, lord above  
Now you're tryin' to trick me in love, ay!

All right now, baby it's-a all right now  
All right now, baby it's-a all right now.

Yeah it's all right now, ooo  
(guitar solo)

Ooo  
Oh yeah ow!  
Let me tell you all about it now, ow!  
Yay

Took her home (yeah) to my place  
Watching every move on her face  
She said look, ah, what's your game  
Are you trying to put me in shame  
Baby I said slow, slow don't go so fast  
Don't you think that love can last  
She said love, lord above

Now he's trying to trick me in love, ah

All right now, baby it's-a all right now, yeah  
All right now, baby it's-a all right now

All right now  
Baby it's a all right yeah  
All right now  
Baby, baby, baby it's all right

All right now, ha  
Yeah  
It's all right, it's all right, it's all right  
Yes  
All right now  
Baby it's a all right now

Yeah  
We're so happy together, ow!  
It's all right, it's all right, it's all right  
Everything's all right, yeh  
Ooo...
