Well, I don't wanna work, 'cause I like the easy way
Only problem is, I got all these bills to pay
But I got a little plan that I made up myself
In a few days I'll be swimming in wealth
It's gonna be wild, so listen what I have to say

Gonna buy myself a gun, not a big and shiny one
ask my buddy Pete if he wants to tag along
We'll do the Bankrobbin' Rock'n'Roll
The Bankrobbin' Rock'n'Roll
Oh man alive, I hate to struggle and strive
We will do the Bankrobbin' Rock'n'Roll

Well, I'll go in first and Pete is right behind
Thinkin', all the money soon be mine, mine, mine
We parked the stolen Ford right out the door
It had a hopped up engine and four on the floor
Better hurry up, I ain't into doin' time

Stashed a sack o' green and ran out the door
Jumped into the Ford and took off with a roar
And did the Bankrobbin' Rock'n'Roll
The Bankrobbin' Rock'n'Roll
Oh man alive, I hate to struggle and strive
We will do the Bankrobbin' Rock'n'Roll

We'll do the Bankrobbin' Rock'n'Roll
The Bankrobbin' Rock'n'Roll
We'll do the Bankrobbin' Rock'n'Roll
The Bankrobbin' Rock'n'Roll
Oh man alive, we'll do the Bankrobbin' Rock'n'Roll
