Kick off your boots

What a fine girl  
I saw her looking over at me  
The kind of girl that'd bring you down to your knee  
She asked me to dance  
I said it would be my pleasure  
We walked onto the dance floor  
The band started playing  
And they sang...

Kick off your boots  
And let your hair down  
Givin' me the feelin' that you might want to mess  
around

We talked for a while  
And sipped on a Jack or two  
Then she stood up and sat down on my knee  
She whispered to me "Why don't we leave together?"  
And when we got to my place I looked in her eyes  
And I said...

Kick off your boots  
And let your hair down  
Givin' me the feelin' that you might want to mess  
around

-Instrumental-

Kick off your boots  
And let your hair down  
Givin' me the feelin' that you might want to mess  
around

Kick off your boots  
And let your hair down  
Givin' me the feelin' that you might want to mess  
around

Kick off your boots

And let your hair down  
Givin' me the feelin' that you might want to mess  
around

Kick off your boots  
And let your hair down  
Givin' me the feelin' that you might want to mess  
around
