I bet you think it's the last time.  
Your head is spinning and you wonder why.  
He's not missing you.  
But don't take my word, do what you want to.

You're chasing a rockstar,  
But where will you go?  
You're chasing him too far,  
The way you move so slow.  
Ypu swear you're innocent.  
But I know that you'll regret  
Chasing a rockstar, now.  
Get over yourself.

You wanna take a chance.  
But you keep thinking it will end in romance.  
He's not missing you.  
But don't take my word, do what you want to.  
I guess now it's up to you.

You're chasing a rockstar,  
But where will you go?  
You're chasing him too far,  
The way you move a slow.  
You swear you're innocent.  
But I know that you'll regret  
Chasing a rockstar, now.  
Get over yourself.

Why can't you stay right where you are?  
You're losing track of me so let's start this over tonight.  
Give up your dreams and say goodbye.

(Chasin' a rockstar)

Chasing a rockstar  
But where will you go?  
You're chasing him too far,  
The way you move so slow.  
You swear you're innocent  
But I know that you'll regret  
Chasing a rockstar, now.

Get over yourself.

Chasing a rockstar,  
You're chasing a rockstar, now.  
Get over yourself.  
Get over yourself.
