Park my car right across from her house last night  
Climb the tree just to see if she'd turn on the lights  
Slipped and fell to the ground  
I'm not sure  
But I think she saw me driving away  
I think she knows what I'm trying to say  
But I don't know how

She's finding me out  
It's bringing me down  
'Cause nothings as hard as the first time  
I'm fooling myself  
She'll never be mine  
It's to late now  
She's finding me out  
She's finding me out

Past her by in the hall  
Felt my heart beat fast  
Turned around  
And I swear I saw her looking back  
Walked my way  
Thought she waved  
But it wasn't me  
Must have been to somebody else  
Tried to hide it but I think she could tell  
That I'm falling now

She's finding me out  
It's bringing me down  
Cause nothings as hard as the first time  
I'm fooling myself  
She'll never be mine  
It's to late now  
She's finding me out  
She's finding me out

She's beautiful  
Popular  
Scared that I don't belong in her world  
I can't sleep  
When I can't breathe

And I've got a feeling  
That she's on to me  
To me

She's finding me out  
It's bringing me down  
'Cause nothings as hard as the first time  
I'm fooling myself  
She'll never be mine  
It's to late now

She's finding me out  
Out, out  
'Cause nothings as hard as the first time  
I'm fooling myself  
She'll never be mine  
It's to late now  
She's finding me out  
Out  
She's finding me out  
Out
