It's no big deal
I wanted you but you don't feel the same
I'm over you
I tell myself 'til I forget your name
That I'm the best that you'll never have
It's a shame I can't face that

I guess you're no heartbreaker
Give it up you're never going to get her
Stop pretending I tell myself
When I'm looking in the mirror
Face it and walk away
'Cause you're no heartbreaker
No matter what they say

Called her four times
But she was busy leaving me behind
So obvious
That she had plans with someone else tonight
And it just hurts all over again
I'm fine cause she was never mine

I guess you're no heartbreaker
Give it up you're never going to get her
Stop pretending I tell myself
When I'm looking in the mirror
Face it and walk away
'Cause you're no heartbreaker
No matter what they

The truth is I
Will never be the same
And all this time
I thought that she would change
The memory remains
And I just feel so hollow, so hollow

You're no heartbreaker
Give it up, So give it up

You're no heartbreaker
Give it up you're never going to get her

Stop pretending I tell myself
When I'm looking in the mirror
Face it and walk away
'Cause you're no heartbreaker
No matter what they say

I Tell myself
When I'm looking in the mirror
Face it and walk away
'Cause you're no heartbreaker
No matter what they say
