Let me tell you about this girl I know,
Molly makeout whoa oh oh.
Up and down,
It's rising action,
Molly makeout satisfaction.
Easy to please, get on your knees,
Your wasting time.

Molly Molly makeout, (molly molly makeout)
Any time, any guy around,
Just watch your back.
You wont know what to do,
Molly my makeout with you.

She was lost but now she's found.
I'll tell you what she's thinking now.
She thinks she's got all the power.
South for ninety five, 2 hours.
Maybe she's not worth the trive,
But Molly makes me come alive.

So easy to please,
Get on her knees
You're wasting time.
Now you're begging for this.
But your not, oh your not, getting,
Much further tonight.

This is why they call her;
Molly Molly makeout (molly molly makeout)
Any time, any guy around,
Just watch your back,
You wont know what to do
Molly my makeout with you.

Molly Molly makeout (molly molly makeout)
Any time, any guy around,
Just watch your back
You wont know what to do
Molly my makeout with you.

Molly make out, you lie too much.

Said your lips, no boy could touch
If making out just what you do,
Then Molly Makeout's the girl for you.

Every night you take off that dress,
Where you've been, is anyone's guess,
The truth is that I just don't care,
As my hands run through your hair,

Molly Molly makeout,
Any time, any guy around,
Just watch your back,
You wont know what to do
Molly my makeout with you.

Molly Molly makeout (molly molly makeout)
Any time, any guy around,
Just watch your back,
You wont know what to do,
Molly my makeout with you.

Every night you take off that dress,
Where you've been is anyone's guess,
Making out is just what you do,
Molly might make out with you.
