Face down on the bathroom floor
Did you know you left me hanging out to dry
Can you see me and I see you
Do you even care, I'm fighting for my life

Wrapped in confusion
Were you only using me to try to get him back
You set me up and that was my mistake
And all I got was permanent heartbreak
Damaged beyond repair
I was, I was much better off
Before I met you
And your with him
It pisses me off that your A-Okay
And all that I've got is permanent heartbreak

Left lying in my bed
It's killing me that
Your next to him, not me
I wish I wasn't stuck with
This stupid tattoo of you on me

Wrapped in confusion
Were you only using me to try to get him back
You set me up and that was my mistake
And all I got was permanent heartbreak
Damaged beyond repair
I was, I was much better off
Before I met you
And your with him
It pisses me off that your A-Okay
And all that I've got is permanent heartbreak

Can you see me and I see you
Do you even care, I'm dying

You set me up and that was my mistake
And all I got was permanent heartbreak
Damaged beyond repair
I was, I was much better off
Before I met you
And your with him

It pisses me off that your A-Okay
Woah oh, I hate that your A-okay!
And all that I've got is permanent heartbreak
