Here we are again
Baby can't you see we can't go on
Like this whenever,
I guess friends don't mean friends forever
If you, want this,
You better know cuz you really got something
I know, you'll miss,
Every boy begging you for one last kiss

I'm sorry if I stole your girl
I'm sorry if she likes me more than
She ever liked you,
She never liked you
I'm sorry, I'm sorry,
I'm sorry if I stole your girl

We, we let go, let go when,
The car starts spinning again and again
If you, want this,
I guess youve got something I can't resist

I'm sorry if I stole your girl
I'm sorry if she likes me more than
She ever liked you,
She never liked you
I'm sorry, I'm sorry,
I'm sorry if I stole your girl

On the bed,
On the floor,
In the other room he's wondering where you are
So lock the door,
And close your eyes,
I guess now it's time
(Repeat)

I'm sorry if I stole your girl.

I'm sorry if I stole your girl
I'm sorry if she likes me more than
She ever liked you,
She never liked you

I'm sorry, I'm sorry,
I'm sorry if I stole your girl

I'm sorry if she likes me more than
She ever liked you,
She never liked you
I'm sorry, I'm sorry,
I'm sorry if I stole your girl
