Why you calling me again
You trying to act all innocent
I ripped yoru pictures all to shreds
You said that it was over
You said that it was over
I can't unforget you
If I tried
I threw it all away
It's too late
I can't let you back inside
Not this time
You walked out and you left me
So what was I supposed to do
Can't unforget you
Goodbye goobye goobye
Can't unforget you
Goodbye
Don't wanna lead you on
There was a time when you were all I ever wanted
Until now the windows close forever
And I've finally got over
Yeah I've finally got over
I can't unforget you if I tried
I threw it all away
I can't let you back inside
Not this time
You walked out and you left me
So what awas I supposed to do
Cna't unforget you
Goodbye goobye goobye
Your feeling desperate
You want me to take you back
Noo
Don't think I'll fall for it
You only want what you can't have
No no no
I can't unforget you if I tried
I threw all away
It's too late
I can't let you back inside
Not this time
You walked out and you left me

So what was I supposed to do
Can't unforget you
Goodbye gooby gooby
Can't unforget you
Goodbye goodbye goodbye
Unforget you
Goodbye
