Twist!
Kiss!
Ah!

Baby let's do it
Oh, you gotta stick to it
It's so easy
Like pork chop's greasy
Now you twist
Then you kiss
Now you're doing the Kissing Twist

Baby let's get it
Oh, you gotta work with it
It's real crazy
And don't you be so lazy
And now you twist
Then you kiss
Now you're doing the Kissing Twist

Twist!
Kiss!
Twist!
Kiss!
Twist!
Kiss!
Ah!
The Kissing Twist

Baby you've got it
Can't do without it
It's so funny
Like picking up money
Now you twist
Then you kiss
Now you're doing the Kissing Twist

Twist!
Kiss!
Twist!
Kiss!

Twist!
Kiss!
Ah!
The Kissing Twist

Baby

Everybody twist
Come on get with it!

Let's do it

Like pork chop's greasy
