Oh my darlin' I love you so, more than you will ever
know
You're the only one in my heart, believe me
I know that I have made you cry, tears that need no
alibi
But life's no fun when we're apart, believe me

You're the only answer to my prayer
You know if you need me I'll be around somewhere
Oh my darlin' I love you so, more than you will ever
know
You're the only one in my heart, believe me
I know that I have made you cry, tears that need no
alibi
But life's no fun when we're apart, believe me

Oh my darlin' I love you so, more than you will ever
know
You're the only one in my heart, believe me
I know that I have made you cry, tears that need no
alibi
But life's no fun when we're apart, believe me
