Text: JÃ¼rgen Seibold

Got nobody I could miss,

Nobody to caress.

But I got no reason to feel bad

'Cause the sun shines down on me.

You got nobody to be held,

Got nobody to teach.

But I got no reason to feel bad

'Cause the sun shines down on me.

But I try, I try so hard to get in the mood

To cry, to cry for you.

He's got no job to keep it,

Not even a part time work to do.

But I got no reason to feel bad

'Cause the sun shines down on me.

She's got no chance to get his name.

His child will figure all her pain.

But I got no reason to feel bad

'Cause the sun shines down on me.

But I try, I try so hard to get in the mood

To cry, to cry for you.

They took a sunny place to die.

Come, take your pictures, don't be shy.

But I got no reason to feel bad

When the sun shines down on me.

Baby took the hard way out

And the old man will blow up all the crowd.

But I got no reason to feel bad

- Until his sun shines down on me.

But I try, I try so hard to get in the mood

To cry, to cry for you.

But I try, I try so hard to get in the mood

To cry, to cry for you.
