Do all of my pictures still  
Hang above your bed?  
Remember when,  
Under the overhead  
You smoked your brand  
And I stayed quiet  
As the ashes burnt my hand?  
Take this  
For what it's worth;  
Every part of you  
Is part of me -  
It parted us.  
On deaf ears  
We'll ride tonight,  
Past the corner store  
And through the red lights.  
And when it's time  
To say goodbye  
Will you tell me sweetheart,  
When I lose my mind?  
Take this  
For what it's worth;  
Every part of you  
Is part of me -  
It parted us.  
Guess I lost the battle for  
Gracious green eyes have  
Turned blood red  
And they're staring me dead.  
Guess I lost the battle for  
Gracious green eyes have  
Turned blood red  
And they're staring me dead.  
Me dead.  
I followed you  
Across the beach,  
You let the water  
Touch your feet  
And this is how  
It's supposed to be -  
The two of us

Die at sea.  
Take this  
For what it's worth;  
Every part of you  
Is part of me -  
It parted us.

Guess I lost the battle for  
Gracious green eyes have  
Turned blood red  
And they're staring me dead.
