You're looking for a chance to give your mind a rest
Now please correct me if I'm wrong
The story goes that I'm not terribly impressed
I guess I've known it all along
Walk, walk away, keep on walking away
Figured it out that I'd been wasting all my time
And time was eating at my soul
Now I find comfort only somewhere in my mind

Free to pursue another goal
Walk, walk away, keep on walking away
I can be fine, I can be free
I can beautiful without you torturing me
Walk, walk away, keep on walking away
Go
You can live at home now
You can live at home now
