Give me time to explain
The way I feel about you.
Don't try to play too smart:
You'll end up breaking in two.
Why don't you take your time?
You better take your time.

The world wasn't made within a day,
So the Bible say.
An eye for an eye and a tooth for a tooth,
Some day you'll get your pay.
Why don't you take your time?
You better take your time.

You got what you want
And you think that's all.
Let me tell you something, brother:
Some day you've got to fall.
Don't play hypocrite with me, my friend,
Coz I know a long
The bull is going to overthrow
The fire will burn your hand.
Why don't you take your time?
You better take your time.

Don't try too hard, too hard,
And you think that's all,
Let me tell you something, brother:
Some day you're going to fall.
Don't play hypocrite with me, my friend,
Coz I know a long
The bull is going to overthrow
The fire will burn your hand.
Why don't you take your time?
You better take your time.
Why don't you take your time?
You better take your time.
Why don't you take your time?...
