If i can't do  
what i want to do  
then my job is to not  
do what i don't want  
to do  
It's not the same thing  
but it's the best i can  
do  
If i can't have  
what i want . . . then  
my job is to want  
what i've got  
and be satisfied  
that at least there  
is something more to want  
Since i can't go  
where i need  
to go . . . then i must . . . go  
where the signs point  
through always understanding  
parallel movement  
isn't lateral  
When i can't express  
what i really feel  
i practice feeling  
what i can express  
and none of it is equal  
I know  
but that's why mankind  
alone among the animals  
learns to cry
