Keep your mouth shut

Don't say a word

You're being absurd

Someone shouted from the back

Smack, I heard a crack

Of a hand on his back

He started to cry

Oh God

You won't die

BANG

Sound of a gun

You made him mad

You better run

Chorus:

He's a mad clepto-freak

And he just wanted to speak see

See what happens when you don't answer

Us when we're about to bust

Clepto

FREAK

To get a gun

And go on a rampage killing everyone

And answer us
Try to limit homework

Or actually don't give us any
By the time we get home
We're in bed
One of us may strike
Chorus:
