Chorus:

Why are you leaving me

Why can't you see me too,

Why's it just have to be

I'm in a downfall

What's did I do wrong

Why are you ignoring me

It's been so long

Since I could finally see

It's been crawling

In the back of my head

It's been clawing

Breaking me away

Chorus:

You've been lowering

My self-esteem

My brain's rotting slowly

I've been blowing off steam

It's been crawling

Trying to get free

I'm suffering insanely

Bringing myself down

Chorus:(2x)

Bridge:

Please I'm begging you

Set me free

I wasn't lying to you

Help me

I'm in a downfall

Chorus:(3x)
