If you're lucky some day you might see me on the street
My crystal clear complexion is as snow white as a sheet
'Cause some say I'm a genius, to others I'm a loon
But someday there'll be people like me walking on the moon
If you think you've got the nerve to put me in my place
I think that I should warn you, I'm not just a pretty face

I'm an individual - you can't fool me
An indi-bloody-vidual - you can't fool me
A genuine original - you can't fool me
I keep an open mind 'cause I'm thinkin' all the time

I've a basic sense of rhythm and a chronic sense of rhyme
I make my own tomato juice and drink it all the time
I like to dress up lavishly, skin tight pants and sneakers
And on my head I wear the latest hi-fi speakers
Wish I had the chance to be a reckless millionaire
But I haven't got the money, so I really couldn't care

I'm an individual - you can't fool me
An indi-bloody-vidual - you can't fool me
A genuine original - you can't fool me
I keep an open mind 'cause I'm thinkin' all the time

I am not an animal
I am not an animal
I'm a 'uman being

Me mother calls me Markus and my father's name is Jack
And everybody knows that I'm a cut above the pack
My formal education was in competition bouts
Attending new auditions for the latest movie parts
People say the life I lead's enough to stunt my growth
They ask me if I'm happy and I tell them up your nose

I'm an indivdual - you can't fool me
An indi-bloody-vidual - you can't fool me

A genuine original - you can't fool me
I keep an open mind, 'cause I'm thinkin' all the time

I'm an individual - you can't fool me-acap
