Well tonight if you turn your radio on
And you hear a sad, sad song
About someone who lost everything they had
It may sound like me
But I'm a little bluer than that

In the morning when you look out you might see
Clouds rollin' by like memories
And a big old sky above you lookin' back
And then you think of me
But I'm a little bluer than that

Where did we go wrong
I wish I knew
It haunts me all the time
Now wherever I go
And whatever I do
You're always on my mind

Now I can picture you in her arms tonight
But as for me it don't seem right
To let us fade like some old photograph
It may work for you
But I'm a little bluer than that

Where did we go wrong
I wish I knew
It haunts me all the time
Now wherever I go
And whatever I do
You're always on my mind

So tonight if you turn your radio on
And you hear a sad, sad song
About someone who lost everything they had
It may sound like me
But I'm a little bluer than that

Know it ain't me
Cause I'm a little bluer than that
