Sweet dreams of you
Every night I go through
Why can't I forget you and start my life anew
Instead of having sweet dreams about you

You don't love me, it's plain
I should have known I'll never wear your ring
I should hate you the whole night through
But I keep having sweet dreams about you

I should hate you the whole night through
Instead I'm having sweet dreams about you

Sweet dreams of you
Things I know can't come true
Why can't I forget the past, start loving someone new
Instead of having sweet dreams about you
