You told me I was only allowed to dream about you
Iâ€™m your lucky star, tell me Iâ€™m your lucky star
I wear your favourite dress, wear these chains around
my neck
Iâ€™m the one you want, please tell me Iâ€™m the only one

I put on my best for you
Iâ€™ll undress myself for you
I will do unthinkable things for you

Tell me what you want
Tell me what you want
Tell me what you want
Diamonds in her eyes for you
X 2

You walk into the room
Rough but oh so glamorous
Youâ€™re a shooting star, I know youâ€™re a shooting star
This love is brutal
It cuts right through me
Cuts me like a knife, cuts me with desire

I put on my best for you
Iâ€™ll undress myself for you
I will do unthinkable things for you

Tell me what you want
Tell me what you want
Tell me what you want
Diamonds in her eyes for you
X 2

Diamonds, diamonds, in her eyes

You leave me, try leave me clueless
Youâ€™ve got things on, guess itâ€™s true
But I could love you more than they ever would
Love me cos I'm more than they want (?)
Let me in, Iâ€™m locked outside
All these shades you hide behind

I will show you more than they ever can
I will do unthinkableÂ...

Tell me what you want
Tell me what you want
Tell me what you want
Diamonds in her eyes for you
X2
