Don't let your love run dry, oh oh  
Don't let your love run dry, oh oh  
Don't let your love run dry, oh oh  
Don't let your love run dry, oh oh  
Oh, oh  
Oh, oh

Illuminate the feeling  
That you once lived on  
This place is a wasteland  
Lay your heart on the floor  
Take it all out on me now  
So I know that you hear me  
Throw all your fear to the wind  
So you come back screaming

Don't let your love run dry  
I see you  
Don't let your love run dry  
I see you  
Don't let your love run dry  
I see you  
Don't let your love run dry  
I see you

Drag those wolves through the dust  
I can hear them howling  
Scattered bones on the trail  
Because you won't stop hunting  
Let the water cleanse your soul  
And (?) your heartache  
Let the moonlight into you  
And let it guide your way

Well I know what you think of who you are  
But that's not that you need to be  
If you go until the end I will follow  
That's where you need me to be

Don't let your love run dry  
Don't let your love run dry

Don't let your love run dry  
I see you  
Don't let your love run dry  
I see you  
Don't let your love run dry  
I see you  
Don't let your love run dry  
I see you  
Oh, oh  
You  
Oh, oh  
You  
Oh, oh
