No they can't stop raiding us
No they can't stop raiding
There is no force left in us
Just our souls remaining

When will they loosen their hold
And carry me carry me oh
I've been dreaming of tales I've been told
They carry me away oh
They'll never let me go
Always raiding me, raiding me oh
Can you hear me calling out
As they carry me away

I'll give it all that I have to give
To fight back the storm that is closing in
I'll give it all that I have to
I'll give it all that I have to
Rolling with the thunder on the wind
Come in with the storm that's closing in
I'll give it all that I have to
I'll give it all that I have to

No they can't stop raiding us
No they can't stop raiding
It's a long long way for us
As they keep on taking

When will they loosen their hold
And carry me carry me oh
I've been dreaming of tales I've been told
They carry me away
They'll never let me go
Always raiding me raiding me oh
Can you hear me calling out
As they carry me away

I'll give it all that I have to give
To fight back the storm that is closing in
I'll give it all that I have to
I'll give it all that I have to

I'll give it all that I have to give
To fight back the storm that is closing in
I'll give it all that I have to
I'll give it all that I have to
Rolling with the thunder on the wind
Come in with the storm that's closing in
I'll give it all that I have to
I'll give it all that I have to
I'll give it all that I have to
I'll give it all that I have to
