I heard from a friend today, and she
said you were in town.

Suddenly the memories came back to me in
my mind.

(chorus)

How can I be strong I've asked myself
time and time I've said

That I'll never fall in love with you again

A wounded heart you gave,

my soul you took away

good intentions you had many,

I know you did

I come from a place that hurts,

God knows how I've cried

And I never want to return

Never fall again...

Making love to you felt so good and

oh so right...

(chorus)

How can I be strong I've asked myself

time and time I've said

That I'll never fall in love with you again
So here we are alone again,
didn't think I'd come to this
and I know it all began
with just a little kiss.
I've come to close to happiness,
to have it swept away
Don't think I can take the pain
no never fall again..
Kinda late in the game
and my heart is in your hands
Don't you stand there and then tell me
you love me
then leave again
'cause I'm falling in love with.....you again
Hold me, hold me
Don't ever let me go
Say it just one time
Say you love me
God knows I do love you
Again.
