In the thunderin' dreams

You stare in my eyes

I can't feel your hands

Moving up my thighs

Shirt around my waist

Wall against my face

I can feel your lips Bridge:

I don't wanna stop just because

People walkin' by are watchin' us

I don't give a damn what they think

I want you now

I don't wanna stop just because

You feel so good inside of my love

I'm not gonna stop no no no

I want you all I wanna say is Chorus:

Any time, and any place

I don't care who's around

Any time, and any place

I don't care who's around

Dancin' on the floor

Feeling the slow groove

My mind is startin' to burn

With forbidden thoughts

Strangers all around

With the light down low

I was thinkin' maybe we

Couldâ€|wellâ€|you knowâ€|

Repeat Bridge

Repeat Chorus
