Hold me

Kiss me

Show me

You wanna be with me

Feel me

Taste me

And maybe

I'll let you have me

When you do convince me

Can't turn back

I'll be your best

You know that good things don't come easy

(Hold me) So are you ready

(Kiss me) To journey

(Show me) Within me

(Feel me) I'll satisfy you

(Taste me) I will do anything

(Have me) You ask me to

(Ask me) Anything

(With me) Anything

When you do convince me

Can't turn back

I'll be your best

You know that good things don't come easy

(Hold me) So are you ready

(Kiss me) To journey

(Show me) Within me

(Feel me) I'll satisfy you

(Taste me) I will do anything

(Have me) You ask me to

(Ask me) Anything

(With me) Anything

(Hold me) So are you ready

(Kiss me) To journey

(Show me) Within me

(Feel me) I'll satisfy you

(Taste me) I will do anything

(Have me) You ask me to

(Ask me) Anything

(With me) Anything for you

When you do convince me

Can't turn back

I'll be your best

you know that good things don't come easy

(Hold me) So are you ready

(Kiss me) To journey

(Show me) Within me

(Feel me) I'll satisfy you

(Taste me) I will do anything

(Have me) You ask me to

(Ask me) Anything

(With me) Anything

(Hold me) So are you ready

(Kiss me) I will do anything

(Show me) For you
